

GREATEST OMUMARACHI OF ALL TIME

Mwalimu Henry Mukabi

Mwalimu Henry Mukabi was a teacher; a dedicated teacher with the real feel of Olumarachi. In my life time he is the only Mumarachi who knew every thing Mulumarachi. I know when he learns of the efforts you are putting in to have the dictionary, his contributions will be enormous.

I remember one of his students in the sixties fondly remembers him with the following words: To all those who are proud of our languages him with the following words: Omwibuli and Omwibusi, lets see what the difference is. To all those who are proud of our language.
